FERTILIZER. **FERTILIZER.**
AMMONIATED
SOLUBLE **PHOSPHATE**
Is said to be the best fertilizer ever used, and is the cheapest by \$5.00 per ton of any Stan-
dard Fertilizer sold in the State. Gentlemen who used it last season and have bought
again this, WRITE US CONCERNING ITS EFFECT as follows:
Messrs. A. C. SANDERS & CO., Raleigh:
Gentlemen—I used the ten (10) tons of the Star Phosphate bought of you last Spring, and it
turned out as well, if not better, than either of four different kinds that I used. I am
well pleased with it and wish you to reserve me some for next season.
Yours truly, RUFUS J. IVEY.
Messrs. A. C. SANDERS & CO., Raleigh:
Gentlemen—I take pleasure in recommending the Star Phosphate, bought of you
my plantation, and I shall use it together next season.
Yours truly, WILLIS H. WHITAKER.

Messrs. A. C. SANDERS & CO., Raleigh:
Gentlemen—I take pleasure in recommending the Star Phosphate, bought of you
last Spring, to all farmers as a No. 1 fertilizer. I consider it equal to any I ever used.

THE GRAVES COTTON PLANTER.
The work of excavating the cellar
and foundation of the new Govern-
ment building was completed yester-
day and the hands paid off. The
hole made is 130 feet long, 70 wide
and eight deep.

At the Spring term of Rowan Su-
perior Court, just finished, three men
were sentenced to the Penitentiary
for five years, and one for two years
for larceny. John Allen Ketchey
was re-sentenced to be hung on May
22nd.

Commissioner Backalan proceeded
yesterday to the small pox hospital
quarantine and discharged the re-
covered patients and nurses, all the
danger being over. The prompt ac-
tion of Mayor Whitaker in arresting the
spread of this disease is worthy of the
highest commendation.

LOCAL MATTER.

B. C. WOODSON, City Editor.

SPECIAL CITY ITEMS.

WILL IT not be a disgrace to our city if
such a man as P. F. Pescud is defeated for
Mayor?

Mr. Pescud has been a resident of Ra-
leigh for thirty years, and if he has an ene-
my, or if there be one who have had an
unkind feeling for him we never heard it.

ARCTIC Soda Water, Ginger Ale, Klus-
gen and Vichy Waters, also Genuine Sara-
toga Water, direct from the Springs at
Saratoga, dispensed by the glass at
Pescud, Lee & Co's
Drug Store,
April 8-11.

TEAS-ING.—Persons wanting an elegant
Imported Tea should examine the assort-
ment to be found at Simpson's Drug Store.
He has just received a large lot of new Teas,
embracing every kind and quality. Give
them a trial.
April 28-11.

THERE IS A HEAP IN THE BLOOD. Mr.
Pescud's good name and habits of life and
general popularity is not surprising when we
remember his noble and honored ancestors.
Let the news go to Petersburg, Va., his na-
tive home, that the citizens of Raleigh
honored a son of Col. Edward Pescud,
whom she is delighted to honor as Mayor
and a grand-son of the old Virginia hero, Peter
Francis, with the highest office in the gift
of its citizens.

SEE HERE.—James Miller's Sparkling
Globe Saloon, 313 Fayetteville street, has
now on hand and constantly receiving
fine and genuine cigars, native and im-
ported; Wines, Ales, Beer and Cider, Ci-
gars &c. The "Sparkling Globe" Billiard
Saloon is fitted up with two first-class Phe-
lio Carom Tables, and everything in excel-
lent order. Remember the place, 313 Fayette-
ville street, near Tucker Hall.

CANDY! CANDY!—We are now making
many new varieties of candy and fancy
Candies every day. All Fresh and Pure.
No stale candy offered for sale. Caramels,
Almonds, Walnuts and Fruit Candies. Mo-
lasses and Sugar Taffy made every morn-
ing. Buy your candy of us and we will
give you a first-class article at a reasonable
price.
April 28-11. A. D. ROYSTER & BRO.

WE are gratified to know that Mr. P. F.
Pescud has at last consented to permit his
friends and the lovers of good order, and all
who want a more economical administra-
tion of our city Government, to vote for him
for the Mayoralty, for he is the man to
win. He has lived here 30 years, is a
thorough business man, has made very
many friends, and if he has an enemy, or
any one ever spoke of him unkindly, we
never heard it.

It is well known that very many Repub-
licans say they will not vote for Mr. Hol-
den, and have urged Mr. Pescud to run,
and promised to vote for him, regardless of
his politics, and if all those interested in
the growth and prosperity of the city will
vote, Mr. Pescud will be elected by a large
majority.

FREEDMEN'S SAVINGS BANK.
RALEIGH BRANCH.
Freedman's Savings and Trust Co.,
Raleigh, N. C., April 30, 1874.
TO THE PUBLIC.

As the editorial, appearing in the DAILY
NEWS, of the 30th inst., respecting the
recent examination of the affairs of the
FREEDMEN'S SAVINGS AND TRUST
COMPANY, may have a wrong impression
upon the community and upon the Bank,
and be the means of creating unneces-
sary fears and excitement, I take this
method of assuring the depositors THAT
THERE IS NO GOOD REASON FOR alarm
and that their MONEY IS SAFE NOW AS
EVER. The examination was instituted
and carried out at the instance of the
officers of the Bank, and advises that the
Principal Office at Washington expresses
satisfaction as to the perfect safety of the
Institution and its prospects of becoming
more useful in the work for which it
was intended. We trust that the various
newspapers, and the reports of all will be
governed by prudence and discretion.
By order of the Advisory Board,
J. R. CASWELL, Chairman.

LOCAL BRIEFS.
The base ball match game comes
off at 3 o'clock this evening instead
of 3 1/2 o'clock.

Pneumonia is the prevailing dis-
ease for this season and several cases
are reported in the city.

General Pickett, of Virginia, the
commander of a Va. division in the
Confederate army, is registered at the
Yarborough House.

Eastern Wardens, come out Mon-
day next to a man and cast your votes
solidly for Upchurch, Royster and
Denton, the "People's" choice.

Middle Wardens, let there be no di-
vision in your ranks on Monday.
Stick to your ticket, Stronach, Little
and Palmer and victory will be
yours.

Parties desiring to make sale of
second hand houses, would do well to
confer with Reamy & Co., House
Movers in this city. See notice else-
where.

Penny Brown, the Yarborough House
Omnibus Conductor, runs the showiest
team in the city, four circus colored
chargers, as fat and sleek as moles,
and as spirited as playful kittens.

Every man in the Eastern Ward
that favors reform in the city govern-
ment, and an honest administration
of its affairs, vote for Upchurch,
Royster and Denton.

Will not all who object to Mr. Hol-
den embrace the present opportunity
of electing a gentleman whom the
citizens generally will be proud of
and delighted to have as Mayor?

The Church of the Good SHEP-
HERD.—We learn that on Tuesday
evening last the ladies of the C Church
of the Good Shepherd, of this city,
organized a society, known as the
Ladies Building Society, whose object
is to receive contributions, either of
money or sewing material, to aid in
the building of the contemplated
Episcopal Church. The officers
elected were Mrs. Jos. B. Bateclor,
President; Mrs. Richard Battle, Vice-
President; Mrs. P. A. Wiley, Treas-
urer, and Mrs. Geo. B. Baker, Secre-
tary.

This is a worthy cause, and should
meet with the encouragement of our
citizens generally, when it is consid-
ered that it is an enterprise calcu-
lated to foster the moral and religious
sentiment of the community. Young
men, who cannot participate as active
members of the Society, have the op-
portunity of exercising their liberality
by subscribing twenty-five cents a
month, which will entitle them to
honorary membership therein.

COUNTRY MATTERS.—During the
month of April there were issued
twenty marriage licenses, of which
eleven were white and nine colored.

There are now confined in the
County Work House ten criminals,
who are serving out their time for
various slight misdemeanors.

The Poor House has forty inmates,
and is said to be by the Examining
Committee of the County Board of
Commissioners in a very good con-
dition.

There are only five prisoners in
the county jail; only two of which
are county prisoners, who were com-
mitted yesterday morning.

It is said there are very few county
orders, or "scrips" outstanding, and
this paper should be at par, while on
the contrary it is shaved at a dis-
count of twenty-five per cent. So
much for Radical rule.

County Commissioner Todd was
in the Sheriff's office yesterday as a
special committee to act in concert
with the Treasurer to receive the
amount due the county by Sheriff
Lee—said to be \$32,000. This sum
was on the 1st of January, but the
Board extended the time at the
request of the Sheriff till May 1st.
The Sheriff did not put in an appear-
ance, and the committee adjourned
without effecting a settlement.

Whereas the records of the Register
of Deeds' office during the month of
April two hundred and thirty-three
deeds, deeds, mortgages and chattel
mortgages, being the largest number
ever registered in one month.

On the 1st of January, 1874, the amount of
taxes assessed amounted to \$34,825,
not inclusive of the amount paid in
under Schedule, "B" which would
amount, in round numbers to \$5,000.

Of the above amount the County
Commissioner received from the
Sheriff \$13,255.24; from the Clerk on
tax suits \$232. The Treasurer has
disbursed \$14,991.25.

HOUSE MOVING IN RALEIGH.—The
house moving business in Raleigh is
now one of the fixed trades of the
city, and to state the large amount of
business carried on in this line would
almost seem incredible. We have
already referred to the operations of
Smith, the Great North American
House Mover, and the *modus operandi*
by which he transfers huge
dwellings and buildings from one
locality to another. Yesterday we
visited the premises of Eastern Ward
Ferrell, in the Eastern suburbs of
the city, to witness the plan of Mr.
Reamy, the patentee of the justly
celebrated Reamy House Moving
trucks. We saw a large double barn,
with eleven attached buildings, being
moved on these trucks with only four
mules, with a rapidity never yet se-
cured by any other patent or plan.

With the use of these trucks, which
are so simple in construction and in
their manipulation, that any boy or
field hand can do the work, the trouble
and expense of house moving is
made so trivial that every farmer can
well afford to keep a set on hand as
part of the necessary implements of
the farm. Every carpenter and house
builder in towns or villages would find
the Reamy trucks one of the most
profitable investments they could make.

Mr. Reamy claims, first, for
his invention, substantiality and
durability, having the power to bear
any weight that can be placed upon
them; secondly, its adaptability for
general house moving, the truck
being so constructed as to move the
house in any direction without turn-
ing round each truck, being self-
steering; third, cheapness, the cost of
trucks being only \$20; a set of four for
\$80. He also sells county and State
rights, dealing very liberally with
the purchaser in such cases. Though
extensively engaged in the house
moving business Mr. Reamy's prin-
cipal object is to superintend the
sale of his trucks. They are certain-
ly the best in existence and we can
confidently recommend them.

THE FREEDMEN'S SAVINGS BANK.
—The reports of the tottering con-
dition of the Home Bank at Washing-
ton, and the various "Freedmen's
Savings Banks" in the Southern
States are branches, reached the
ears of the depositors of the Freed-
men's Savings Banks of this city,
and early yesterday morning a feverish
excitement prevailed with our
colored citizens, and quite a number
were seen with check-books in hand
awaiting the opening of the bank.

A rush, accompanied with little or
no excitement occurred, and the
promptness of the officials to pay all
demands, soon allayed the fears of
the people. Depositors came in dur-
ing the day and all were promptly
paid. Rev. G. W. Brodie, col., the
Manager of the bank, a man of superi-
or financial ability, and who sus-
tains an irreproachable character for
honesty and integrity, assured his
depositors that the bank was perfect-
ly sound and safe, that there was no
necessity of a run, but if there were,
every dollar would be paid in full. This
assurance had the effect of restoring
confidence.

Later in the afternoon a telegram
was received from Frederick Doug-
lass, col., from Washington city, stat-
ing that the Freedmen's Bank was safe
and sound, and no fears entertained by
depositors in that city. At the close
of the business hour everything was
quiet, and we believe that the excite-
ment is all over. As far as this city is
concerned, the Freedmen's Bank is
well off, and has the confidence
of the entire community. We regret
the present difficulties and hope that
the worst is over.

**THE CHURCH OF THE GOOD SHEP-
HERD.**—We learn that on Tuesday
evening last the ladies of the C Church
of the Good Shepherd, of this city,
organized a society, known as the
Ladies Building Society, whose object
is to receive contributions, either of

the building of the contemplated

elected were Mrs. Jos. B. Bateclor,

urer, and Mrs. Geo. B. Baker, Secre-
tary.

meet with the encouragement of our
citizens generally, when it is consid-
ered that it is an enterprise calcu-

sentiment of the community. Young
men, who cannot participate as active
members of the Society, have the op-
portunity of exercising their liberality
by subscribing twenty-five cents a

**LETTER FROM JOHN ALLEN KETCH-
EY.**—Below we give a letter from
John Allen Ketchey, now in jail at
Salsbury under sentence to be hanged
on the 22d inst., for the crime of
rape. The letter bears date of the
22d ult.:

"Rowan Superior Court is over.
Chauncey Young, charged with rape,
discharged without the case going to
the jury; Alfred Sheddick, col.,
charged with rape, not guilty; Miles
Stokes, col., charged with burglary
and attempted rape, not guilty. It
was shown that two of the prosecu-
trix in the above named cases were
prostitutes, whilst the third has had
an illegitimate child. Burt Thomas,
col., larceny, sent to penitentiary for
five years; George Voss, col., larceny,
sent to penitentiary for five years;
Julius Stewart, larceny, pleaded
guilty, sent to penitentiary for five
years; George Coptidge, larceny,
sent to penitentiary for two years;
John A. Ketchey, re-sentenced to be
executed May 22d. No other news of
special interest, only very cold this
P. M., with unusually high wind.

All quiet in our good town just now,
how long it will remain so is impos-
sible to say, as "Old Sandy Tate" is
daily expected to resume his work in
securing rock for the "National Cem-
etery" when, of course, "Dun's Moun-
tain" will become a "volcano." So
note it.

Very respectfully,
JOHN A. KETCHEY.

P. S.—A large town meeting is to be
held at Gold Hill, Monday, May 4th.
Object of meeting, as I have already
stated, to elect a committee to incor-
porate "the Hill" and elect officers for
the same.

THE PRESS CONVENTION.—At a
meeting of the Reception Committee
of the city press, in conjunction with
a Committee from the Board of Trade,
a programme of arrangements was
made out and other necessary steps
taken for the entertainment of our
honored guests during their stay in
the "City of Oaks." The sessions of
the Convention will only go to the polls
in the Senate Chamber at 10 o'clock a.
m., every morning. The afternoon's
will be occupied by the press in visit-
ing the various public and private
institutions of the city, the citizens
very kindly furnishing to the Reception
Committee a number of carriages for
the use of the visitors.

The grand banquet given to the press
by the Board of Trade, will take place
Wednesday night, and the Raleigh
Pleasure Club will give a hop?
complementary to the Press Thurs-
day night. Our space to-night will
not admit of a more lengthy account
of what the citizens of Raleigh pro-
pose to do for the quill drivers on the
occasion of their assembling in con-
junction at the metropolis, but suffice
it to say, they will be well attended
to.

**EASTERN WARD.—TO THE WORK
MANFULLY.**—At an informal meet-
ing of the voters of Eastern Ward
yesterday morning, of those who
really desire reform, it was agreed
that the names of Messrs. David L.
Royster, N. V. Denton and Alfred
Pescud only would be voted for on
Monday for position of Commis-
sioners from that Ward, Messrs.
Lynn Adams and Thomas L. Love
having withdrawn their names. And
now if the voters of that Ward, who
desire an honest change in the city
government, will only go to the polls
on Monday and do their duty the city
can be redeemed from misrule. We
hope to hear good results from the
action of yesterday.

DIED.—Lon. Mingay, a young gen-
tleman aged about 22 years, died at
the residence of John Cayton, Esq.,
on Morgan street Thursday night
and his remains sent by express to
New York yesterday morning. Mr.
Mingay was a native of Ireland, but
resident of New York since his in-
fancy, and came to this city in De-
cember, a consumptive for the benefit
of his health. Being a confirmed in-
fant, he was very little known, but
was said to be a most exem-
plary and excellent gentleman by
those who formed his acquaintance.
His remains were followed to the
Raleigh & Gaston R. R. Depot by
quite a large funeral procession.

PERSONALS.—We learn that Mr. O.
H. Perry, Supervising Agent of the
"N. C. State Life Insurance Com-
pany," has also been appointed As-
sistant Supervisor of the "N. C. Home
Fire Insurance Company." Mr.
Perry is favorably known through-
out the State as a thoroughly reliable
and efficient insurance man.

We were pleased to see in our office
yesterday, Mr. W. A. Davis, one of
the editors of the *Torch-Light*, pub-
lished at Oxford. Mr. Davis is the
youngest editor in the State, and de-
serves much credit for his enterprise
in getting up such a sprightly little
sheet.

REVENUE ITEMS.—For the month
of April the collections at the Re-
venue office for the 4th Congressional dis-
trict amounted to \$52,857.27.

The receipts for special taxes yester-
day amounted to \$2,245.00; full
amount received to date for special
taxes \$9,000.

G. T. Stronach & Bro., is the only
firm that has taken out wholesale
liquor license in the district.

Col. I. J. Young, the Collector,
having ordered the Eastern Ward
yesterday for Granville, where just at
this peculiar time the griststones of
that section seem more attractive,
etc.

THE MAYORALTY.—We yesterday
morning gave our readers an account
of the Mayoralty race, and the names
of Mayor of this city. We regret
this morning to see the names of two
gentlemen in the field, that of Mr.
P. F. Pescud in addition to that of
Mr. Holden, and we hope the number
may be adjusted to the withdrawal
of one of the names, as the
running of both the gentlemen will
undoubtedly cause a defeat of both.

Mr. Pescud FOR MAYOR.—It will
be seen by reference to his card in an-
other column, that Mr. P. F. Pescud
has declared himself a candidate for
the office of Mayor. Mr. Pescud has
many warm friends in the city, and
would make a good officer.

APPOINTED.—Gov. Caldwell on
yesterday appointed Geo. D. Flack a
notary public for the city of Wil-
mington.

**IMPORTANT TO DEALERS IN BOOTS,
SHOES AND HATS.**—We invite espe-
cial attention to the card in another
column of Messrs. Young & Hodges,
of Boston and Norfolk, dealers in
boots, shoes and hats. Shoes of their
own make is a specialty for the South-
ern trade. Mr. Jos. Mullon, Jr., a
member of this firm, is a young man,
a native North Carolinian, who has
worked his way into successful busi-
ness by his untiring energy. Mr.
Mullon is in the city at present and
we commend him to our dealers.

The Rads have nominated as their
candidates for Commissioners in the
Middle Ward, H. T. Clawson, John
N. Bunting and Virgil Ricks, decid-
edly the easiest one for us to beat
that could be selected. Let every
"People's" man put his shoulder to the
wheel Monday and carry the Ward
by not less than 100 majority.

The Person street Sunday School is
contemplating a picnic excursion to
Kittrell's at an early day.

NIGHT WORK AND DAY WORK.—
To those engaged in the work of get-
ting out a daily newspaper, the ques-
tion as to the hours of publication is
one which they feel no direct in-
terest. They must commence work
when the work is ready for them and
not stop until it is done. The old
rule of "from sunrise to sunset" would
be a glorious relief to them, and as
to eight hours constituting a day's
work they would regard themselves
as transformed to heaven and bliss.
There are few persons engaged in
a newspaper office who work less
than from twelve to sixteen hours per
day, and during the winter season
not less than ten of these hours are
spent in the city, closing at three, four
or five o'clock in the morning. Whilst
other people are sleeping soundly in
their beds, the editor, with his corps
of assistants, is busily at work pre-
paring to spread before his readers at
the breakfast table news from all
parts of the world, with a complete
record of the day's and night's do-
ings in his own locality. When or-
dinary mortals get up in the morn-
ing the newspaper man is just turn-
ing in for his first nap.

Portions of Virginia were visited
with a heavy snowstorm on Wednes-
day. A dispatch from Bonssack's
says: "Snowing heavily here this
morning, commencing before day.
The mountains are covered and the
wheat-fields are weighed down with
several inches of snow. The wheat
here is two feet high. Farmers were
planting corn yesterday, and this
morning the furrows are filled with
snow. "Christmas-gift" is the com-
mon salutation here to-day.

Mrs. Van Cott says that at one of
her prayer-meeting a negro brother
prayed: "Oh, Lord! send thy angel
to pin de wings on Sister Bancott's
heels, dat she may fly troo de world
preachin' de everlasting Gospel." And
one added: "Lord! give wings on her
shoulders, too, or the preaching will
not have effect, for she'll fly upside
down."

**TO THE CITIZENS OF
RALEIGH.**
When first persuaded to become a candi-
date for the Mayoralty of this city I
promptly declined, because I had no in-
terest in the position or property of be-
coming a candidate under existing circum-
stances, because I had no confidence in
public life, and doubted my fitness for
the distinguished position, but as so many
of my friends of all parties, comprising
both race, have expressed a preference for
me, I have, after much reflection and con-
sultation with the wise and prudent, con-
cluded to acquiesce in the wishes of my
friends, and if elected, I will endeavor to
discharge the duties of Mayor, unbiassed
by any party or combination, and without
reference to future popularity, believing
that there is a majority of the voters who
have a pride in the growth and prosperity
of the city who would sustain my adminis-
tration.

THE DAILY NEWS.

SATURDAY, MAY 2, 1874.
JORDAN STONE, Managing Editor.

ELECTION AUGUST 6th, 1874.

FOR SUP'T OF PUBLIC INSTRUCTION.

OL. STEPHEN D. POOL,
OF CRAVEN.

The Daily News is now the only paper in Raleigh that gives every morning the latest markets and other telegraphic reports. The public should note this fact.

The Sixth Judicial District.

The members of the Democratic Executive Committee for the Sixth Judicial District are requested to meet in Raleigh on Tuesday, the 21 day of June, 1874.

C. A. COOKE, Chm'n.

"Resolved, That we earnestly recommend to the members of the Democratic-Conservative party to discourage independent candidates and all other disorganizers, and that all support be promptly withdrawn from every aspirant for office who shall oppose the regular nominees of our conventions."—Resolution adopted by Democratic-Conservative State Executive Committee.

The Legislature of Virginia adjourned Thursday by limitation of law. The Richmond Enquirer says of its departure: "We have not been able to concur in all that has been done. But candor compels us to say that we believe the results reached have been in accordance with the convictions of the General Assembly as to the best interests of the State."

The Legislature of Virginia has passed a merchants' tax bill which is considered positively injurious if not ruinous to the merchants of that State, and we see that the business men of Norfolk, Petersburg and Richmond have determined, if the measure is not vetoed by the Governor, to test the constitutionality of the bill before the Courts fully and thoroughly, regardless of expense.

In the Virginia State Senate, on Wednesday, the House bill giving the Richmond and Danville Railroad Company the power to change its gauge to Greensboro was defeated. The Senate required the company to relinquish its right of exemption from taxation from the date of its acceptance of the provisions of the bill. This the company declined to do, and, on motion of one of its friends, the bill was "indefinitely postponed."

The Supreme Court of Appeals of Virginia has refused to grant a new hearing to COLEMAN, the defaulting assistant in the Treasury Department, and consequently that individual goes to the penitentiary for four years unless the Governor interposes. This case will be remembered by our readers as one of peculiar sadness, COLEMAN being a young man of most respectable connections, but who was led astray by the evils of dissipation, and the gaming table proved the ruin of a most promising young man.

The dissatisfaction in the Republican ranks, says the Baltimore Gazette, is spreading far and wide throughout the country, and bids fair to blossom into open and determined revolt. In view of this patent and undeniable fact, the certain disintegration of Radicalism is only a question of time, and will inevitably come upon that corrupt organization, unless it is saved from destruction by the weakness and folly of the elements of opposition combined against it. This has happened before, and may happen again.

The Petersburg Index-Appal, concluding an able article on the evidences of reconciliation which are now daily run on the part of the North and South to approach each other with more good will and heartier confidence, and to bury the remnants of sorrowful fact, says:

"It is a sad commentary on these so significant displays of a truly patriotic spirit between the two great sections, that only the day after the day after Mr. Lamar made his noble appeal for peace, the benefits of amnesty were refused by Congress to Admiral Semmes, General Pickett, and other Southern Confederates; and that the special committee of the House, of which Mr. Tremaine was chairman, and to which the memorial of the South Carolina tax-payers was referred, made report that the grievances complained of 'are beyond the reach and control of Congress.'"

"This only serves to confirm the statement with which we began, that there be no stable peace nor any real reconciliation between the people of the North and the South, until the wretched Radical faction is displaced from power. Then, and not until then, the yearning aspiration of the great body of the people towards an adjustment in which shall be buried and forgotten all the bitter ashes of the unhappy past, can be fulfilled; and a new era of national life begun with a white initial letter. Meanwhile it is gratifying to see that despite the influence of the powers of the blue and the grey, we hope they may become more frequent."

Philadelphia merchants subscribed over three thousand dollars in one day for the Louisiana sufferers.

Harmony in the Eastern Ward.

We are gratified to announce that the different gentlemen whose names have been announced as candidates for Commissioners in the Eastern Ward, have met and agreed upon a ticket, and urge the voters of the Ward to support it. Messrs. LYNN ADAMS and THOMAS L. LOVE have withdrawn in favor of DAVID L. ROYSTER, N. V. DENTON and ALFRED UPCHURCH. Messrs. ADAMS and LOVE deserve the thanks of the community for their magnanimous action. Supported by hosts of friends, each of these gentlemen would doubtless have received a large vote, but knowing that there could be small hope of success for any, if five candidates remained in the field, as unselfish men they refused to imperil the cause of reform, for the mere chance of their own election.

Now, if the voters of the Ward will but do their duty, half so well, the election of the reform ticket is certain. Come to the polls on Monday, work during the day and redeem the city.

South Carolina to be Let Alone.

And so poor South Carolina will have to bear her load of evils with the best grace she can. The subcommittee of the House Judiciary Committee of Congress has submitted a report on the memorial of the Tax-Payers' Convention of that State, asking for relief against the alleged misgovernment in that State, which report was adopted by the Committee. The Committee say they cannot resist the conviction that the extraordinary condition of the people of South Carolina is owing in a great degree to the extraordinary events that have occurred and the great changes that have been produced within the last few years for which her present citizens, or the majority thereof, are not properly responsible, and which are beyond the reach and control of Congress. They claim that the present condition of affairs is attributable to the results of the late civil war and the adoption and acceptance of the thirteenth, fourteenth and fifteenth amendments to the Constitution, and that Congress has no power in the matter, the people of the United States alone having the power to change the Constitution. The report concludes:

"The committee say they have confidence in the final success of the great changes that have been wrought in favor of the African race in this country from the intelligence and capacity exhibited by their representatives in Congress, and by those who appeared before the committee. They feel assured they can, if they will, establish their rights to the confidence of the country. It is hoped that with the advantages afforded now of education, and with the eagerness to display to avail themselves of its benefits, they will be fully equal to the dignity and duties of their newly-acquired citizenship. It is believed that by the mutual interchange of kind and friendly intercourse, and by the enjoyment of all those means which are found sufficient in other States, existing evils in the administration of the affairs of South Carolina may be remedied by the people themselves. The committee therefore report a resolution that the prayer of the memorialists be denied, and the committee discharged from the further consideration of the subject."

And here is another proof that while our government is powerful for evil it is equally as powerless for good. Our heart goes out in sympathy to the oppressed people of South Carolina, but we trust a brighter day may dawn upon them in the no distant future.

The Soiled Ermine.

One of the most glaring evils and baneful consequences following in the train of the tyrannical, odious and unconstitutional reconstruction acts, to this State, is the low ebb, in dignity and integrity, to which the Judiciary has fallen. To the question, who is to blame for this sad state of affairs? there is but one response: The Republican party! The reconstruction acts of the national Legislature brought the Constitutional (?) Convention of 1868 into existence. This Convention, an embodiment of ignorance and malice, whose constituent elements were uneducated native whites, with few exceptions, negroes and carpet-baggers, foisted upon the State an elective Judiciary, and the party then in power, through the instrumentality of fraud, federal bayonets and the disfranchisement of the true sons of the soil, parcelled out seats on the bench to political tricksters and party tools, without the slightest reference to capacity or moral character. What does he know of law and what is his character for integrity? were questions never asked. The only qualification necessary was ready obedience to party behests. Thus it is that the ermine which GASTON, TAYLOR, HENDERSON, RUFFIN, NASH, CALDWELL, CAMERON, BATTLE and others wore with so much credit to themselves and honor to the State, is now polluted by being dragged through the mud and mire of the dirtiest description of politics.

While referring to these judicial luminaries, who arose from the dregs to the surface in a political cauldron of boiling and seething corruption, it will not be out of place to relate the following concerning Judge CLARKE. It is given as it comes to our ears: The Judge is the fond father of a son who is but a few years beyond his majority, and who is the happy possessor of a license, about one year old, to practice the highly honorable profession of law. That this promising young man should attend all of the courts in the circuit

of his father is not strange, and that the judicial sire should look with happy and approving eyes upon the ambitious efforts of his offspring to achieve profit and prominence in the pursuit of the profession is but natural. But that the Judge should be so far away by an overweening affection for his son as to make unjust and wrong rulings in cases in which the young man is concerned, in order to secure practice and profit to him, excites both great wonder and deep disgust. Judge CLARKE is charged with this. So manifest has this become, we are told, that it is a matter of comment with the bar, and is noticed by many people outside. It is said that the young gentleman's motions, &c., are never overruled, and that he has only to ask to receive at the hands of an indulgent papa in his official capacity. Some few persons may attribute this to the young man's extraordinary legal acumen and brilliant attainments, but an overwhelming majority of those who attend court in that circuit are inclined to say that his astonishing success in all pleadings may be traced to parental partiality. An instance is related: At the recent term of the Wayne county Superior Court a certain man was very anxious to obtain an injunction against the Board of County Commissioners, we believe, for some purpose or other, but he found difficulty in accomplishing his desire. Young Mr. CLARKE heard of the man, sought him out and offered for one hundred dollars cash in hand to obtain the desired injunction. The bargain was struck, and sure enough in a few hours the desired injunction was secured. It is said that this successful young man has already a very lucrative practice and his father is very proud of him.

It is the same even when your mother-in-law is royal. Queen Victoria allows the Duke and Duchess of Edinburgh to board at her house while the Clarence House is being whitewashed; but she makes them pay up in advance every Saturday night.

Secretary Richardson was in Norfolk, Va., on Wednesday, and was called upon by a large number of merchants, bankers and others, and a cordial interchange of civilities was the result.

That Carl Schurz has accepted the editorship of a leading German daily at \$10,000 per annum, and will remove to New York at the end of his Senatorial term, is the latest rumor.
